

## **BBSI University Foundation Courses in Legal Studies, International & Commercial Law**

BBSI runs a range of specialised courses at Certificate, Higher-Certificate and Diploma levels. These courses are available in different formats, either as foundations leading to a first degree at a UK university, as Pre-Masters leading to a Postgraduate degree in the UK, or for vocational purposes for those who wish to return to their countries with enhanced skills and knowledge. The BBSI scheduled courses in Law are available in these different formats as follows:

- \* Certificate in Legal Studies, International & Commercial Law
- \* Higher-Certificate in Legal Studies, International & Commercial Law
- \* Diploma in Legal Studies, International & Commercial Law
- \* **University Foundation in Legal Studies, International & Commercial Law**
- \* Pre-Masters in Legal Studies, International & Commercial Law

The BBSI University Foundation Courses in Legal Studies, International & Commercial Law are carefully designed to enable students at an Upper-Intermediate level in English or above to study legal and professional law concepts, while acquiring the academic study skills required for undergraduate entry to a UK university undergraduate degree course. The course comprises 30 lessons weekly, and the syllabus includes extensive IELTS<sup>†</sup> Examination Preparation. It is considered notionally at the National Qualifications Agency (NQA) Level 3 within the British Government's National Qualifications Framework. Students who therefore successfully complete the Higher-Certificate or Diploma courses will gain a BBSI award, and NCFE awards. In addition, both Study Options include the full syllabus for the University of Cambridge ESOL International Legal English Certificate (ILEC). Consequently all students have the option to gain an external, professional qualification.

**UK University Placement.** While undertaking their university foundation course and acquiring the academic study skills necessary for university, students are provided with extensive counselling and guidance in all aspects of study at UK universities, and are given full assistance with the UK university application process. All Foundation students who successfully complete their course are assured of a university place prior to graduation from BBSI.

**University of Cambridge ESOL International Legal English Certificate.** The International Legal English Certificate (ILEC) is a University of Cambridge ESOL examination produced and assessed by Cambridge ESOL Examinations in collaboration with TransLegal, Europe's leading firm of lawyer-linguists. BBSI is an accredited ILEC Examination Centre. English is an essential tool for any lawyer working with international matters, and employers need to know that the legal staff they appoint have a sufficient level of English to be able to communicate with clients and professionals in other countries. At the same time, law students and newly-qualified lawyers need to be able to show employers that they have the required language skills. The ILEC examination allows candidates to demonstrate their skills, and therefore to increase their employability. It is based on realistic texts, tasks and topics of the kind legal practitioners might meet in their daily working lives. Preparation for the ILEC is included automatically within this BBSI university foundation programme.

**Study Options.** There are 2 study options for this course. For those students with excellent high-school grades and a sound Upper-Intermediate level in English, we offer a 24-week Higher-Certificate programme, Study Option 1, which enables participants to develop their legal English, business and professional
